

Rendition Scores

I Variety 15 points

A change in the general song; an intermixing of tours & notes

- + points....for unusual and different phrases
- points....for *mainly* roller, border, waterslager songs

II Tone 15 points

Pleasing tone, deep & rich notes

- + points...for clear, hallow, vibrant, rich song
- points...for thin, murky, nasal, weak, shrill, irritating notes

III Smoothness / Tempo

Song smoothly & built up then tapered off, not in a hurried manor

- + points...song balanced up and down the scale
- points...no hammering, not mostly upper or lower notes
- points...not too fast or too slow, no more then 6 chops

IV Delivery

Showmanship of an American Singer in stance and presence

- + points...bold presence, relaxed, gives his heart for the song
- points...shy, singing on bottom of cage, or roller stance

V Strength 10 points

Medium balanced volume, long song, having a dynamic range

- + points...balance between upper and lower range
- points...short song, cutting off, too loud or too soft
